

Directions: Use the notes you've gathered on the Thirteen Colonies and your online resources to complete the following:

1. On the map, please label each of the following colonies/locations.

- Virginia
- Maryland
- North Carolina
- Georgia
- Delaware
- Jamestown
- Massachusetts
- Rhode Island
- Connecticut
- New Hampshire
- Boston
- New York
- New Jersey
- Pennsylvania
- South Carolina
- Charleston
- Plymouth
- Massachusetts Bay
- New York City
- Philadelphia
- Savannah

2. Choose three **colored pencils** and lightly shade the Southern Colonies, the Middle colonies, and the New England colonies, using a new color for each group. Then create a key for your map.

3. Use the box in the general area of the colonial region. In the box, write the economic activities of that region followed by a symbol. Use the map on page 67 (**or use the online textbook and go to section 1.3**) to find the products each region grew or sold.

4. Answer **each** of the following in complete sentences.

1. What natural barrier forms the western border of the Southern Colonies?
2. Why was access to waterways an important factor in the development of colonial cities and towns?
Based on your map, give examples of cities located near rivers.
3. Why do you think the shipbuilding industry was important to New England?
4. Describe the changing meaning of "religious freedom" in the colonies.
5. Describe what you think is the **key difference** among the American colonies?
6. Describe what you think is the **key similarity** among the American colonies?
