

# Theories of Emotion Flowchart

Directions: Using these three theories, create a flowchart/graphic organizer of them to help yourself study.

Grading Criteria:

- Must include description/definition of **3 theories** (probably within your flowchart): James-Lange Theory, Cannon-Bard Theory, Schacter's Two Factor Theory
- Must create an **original example** for each theory
- Must use **color** (color boxes will help your brain remember)
- On back: which do you most agree with? Explain why?
